OBJECTIVE

Motivated Bachelor of Science in Information System student with experience in freelance recruiting support, job application operations, customer chat support, cashiering, and administrative tasks. Seeking an opportunity to apply communication, organization, technical, and problem-solving skills in a professional environment while continuing to develop competencies in information systems and cybersecurity.

EDUCATIONAL BACKGROUND

Bachelor of Science in Information System
Davao del Norte State College, Panabo
Expected Graduation: June 2027

August 2023 – Present

EXPERIENCE

Freelance

Relentless | United States

December 2025 - Present

- Supported recruiting and job application operations for clients through remote freelance work.
- Assisted with resume formatting, job applications, candidate outreach, and interview coordination.
- Maintained accurate records, managed online communications, and organized workflow tasks efficiently.
- Collaborated with remote teams to support client success and improve operational processes.
- Delivered administrative and customer support while meeting deadlines in a fast-paced work environment.

Chatter

ChatMore | United States

August 2023 - October 2023

- Engaged with customers through real-time chat support and provided timely, professional responses to inquiries.
- Built positive customer relationships by maintaining friendly communication and resolving concerns efficiently.
- Assisted users with account, product, and service-related questions while supporting customer satisfaction.
- Managed multiple conversations simultaneously in a fast-paced online environment.
- Maintained accurate records of customer interactions and support concerns.

Cashier

Hannah Kimmy Fashion Saver | Antipas, SOCCSKSARGEN

June 2019 - June 2022

- Handled daily cash register operations, including processing sales, issuing receipts, and managing returns.
- Managed cash, card, and mobile payments accurately while ensuring proper end-of-day balancing.
- Provided friendly and efficient customer service to maintain positive client relationships.
- Maintained cleanliness and organization of the checkout area.
- Assisted in inventory tracking, restocking, basic store organization, and daily sales reports.

ACADEMIC PROJECTS

Project Alayon: Web-Based Student-Led Donation Platform

- Helped design a web-based donation platform for disaster relief coordination in Panabo City.
- Included features such as donor registration, donation submission, assistance requests, admin dashboard, announcements, and transparency reports.
- Contributed to research, documentation, system planning, and project presentation.

Campus Lost and Found Tracking System

- Designed a digital process for reporting lost and found items in a school setting.

- Applied ITIL 4 practices such as Service Request Management, Incident Management, and Information Security Management.
- Helped prepare the process flow, input-process-output structure, and documentation.

SKILLS

- Customer Service and Online Support
- Communication and Active Listening
- Time Management and Multitasking
- CRM and Record Management
- Microsoft Office Applications
- Research and Documentation
- Basic Cybersecurity Awareness
- Cash Handling
- Teamwork and Adaptability
- Attention to Detail
